

Places in Kuwait that sell cable trays

AI Overview

Kuwait has several established suppliers and manufacturers of cable trays, including Alnafaa Group, Bahman Group, Almeer Industries, and EBOMAC, offering a wide range of materials and fittings for industrial and commercial projects. Key Suppliers and Manufacturers

Alnafaa Group specializes in FRP/GRP cable trays, including ladder and perforated types, designed for corrosion resistance, fire retardancy, and electrical insulation. They provide a full range of fittings such as bends, tees, reducers, coupler plates, and cover clamps, suitable for large-scale projects and chemical-resistant applications.

Bahman Group, located in Shuwaikh Industrial Area, manufactures GI cable trays, cable ladders, and trunking for local projects and infrastructure. Their products are widely used in government projects, hospitals, and Kuwait University, emphasizing cost-effective and high-quality solutions.

Almeer Industries offers cable tray systems for power distribution and communication wiring, focusing on commercial and industrial construction. Their trays are designed for easy installation and future expansion, making them suitable for dynamic wiring systems.

EBOMAC provides medium and low voltage switchgear along with cable trays, offering local support, tailor-made solutions, and compliance with testing standards. They cater to electrical contractors and industries requiring certified and reliable cable management systems.

Types of Cable Trays Available

- Ladder Cable Trays:** Ideal for heavy-duty cables and long spans, providing excellent ventilation.
- Perforated Cable Trays:** Suitable for lighter cables and areas requiring drainage or airflow.
- GI (Galvanized Iron) Trays:** Durable and cost-effective for general industrial use.
- FRP/GRP Trays:** Corrosion-resistant, lightweight, and fire-retardant, suitable for chemical or outdoor environments.

Considerations for Selling

Project Requirements: Match tray type and material to the client's environment (e.g., corrosive, high-temperature, or chemical exposure).

Fittings and Accessories: Offer compatible bends, tees, reducer...
